Our member firm WTS Tax d.o.o., WTS Global in Slovenia, is extending an invitation to all the participants for a Saturday program, which is outside of the scope of GSL Private Clients, but it is an additional social gathering of all the GSL members and the spouses involved.

WTS Slovenia would like to invite you and your spouses to completely private day out on Saturday 13 May 2023 to experience small but very diverse Slovenia.

We will organize a whole-day trip on Saturday 13 May 2023, leaving hotel in Bled around 11 o'clock, to visit one of the UNESCO heritage caves of our carst region, either Postojnske jame or Škocjanske jame.

Further our road will take us to a proven family owned wine yard with 2-hour wine tasting experience (Lepa Vida) and finally to a very nice dinner at one restaurant with the local/Italian touch.
